

Close to 300 guests gathered for MercyFirst's Annual Harvest Ball held at the Garden City Hotel. This year's event raised more than \$275,000 to help fund MercyFirst's programs. The 2009 honorees and friends of MercyFirst were Anthony and Gina Core. A special tribute was also made to longtime MercyFirst board member Bernard McCaffrey, who stepped down as president of the board in June 2009 after 42 years of service.
